The Cookie Policy

http://boaz-zavod.ru uses both first-party cookies and third-party cookies from our partners (external service providers). This gives you certain opportunities to view and use pages of this site. Some of these cookie files are necessary for us to check how well the site runs, view site visit statistics and improve the site from time to time.

Most browsers accept cookies automatically, but you can alter the settings of your browser to erase cookies, delete them individually, block third party cookies or cookies from particular sites, accept all cookies, to be notified when a cookie is issued or reject all cookies. Visit the 'options' or 'preferences' menu on your browser to change settings.

By continuing to browse or use our site, you agree with our Cookie Policy, give your consent that the information we can collect on you using cookies may be shared with third parties/

If you do not agree with our Cookie Policy, you can change your browser's settings or stop viewing this site.

Please remember that if you block cookies from this site, you may lose access to the certain functions or parts of this site.

You can check the following links for more browser-specific information on cookies.
- Opera
- Firefox
- Chrome
- Internet Explorer
- Safari

The links below will help adjust your browser settings to reject any customised advertising from this site:
- For users located in the European Union
- For users located in any other country

Cookies are small files generated by the site and stored locally in your browser or in the file system of your computer or mobile gadget.

We use the following types of cookies:

Session cookies

Session cookies are temporary and deleted from your browser when your leave the site.

Persistent cookies

Persistent cookies are stored permanently in your browser unless you decided to delete them.

Functional cookies

These cookies let us operate the site in accordance with the choices you make. These cookies permit us to "remember" you in-between visits. For instance, we will recognise your user name and remember how you customised the site and services and provide you with the same customisations during future visits.

Performance cookies

Performance cookies collect anonymous data for statistical purposes on how visitors use a website, they don't contain personal information, and are used to improve your user experience of a website.

Analytical cookies

These cookies count the number of users and track how they navigate our site. This helps us optimise the site to help users find necessary information quicker and understand what site's functions or sections are most relevant. By testing different versions of this site's functions and parameters, we make your browsing experience smoother and more efficient.

Please follow the links below to see how our partners use cookies. You will also find links to refuse their services if you don't want to receive them.

In particular, we use Yandex.Metrics services to analyse users' activities and optimise the site. These services collect anonymous data and do not collect any personal information. This information can be used by the site owner and our partners to improve the site and its sections.

Yandex

The technologies assess the effectiveness of advertising placed on our site by Yandex. Please see [Yandex Confidentiality Policy](#) for more details.

Yandex.Metrics

Please follow this link to see how this service is used: https://yandex.ru/legal/metrica_api/?lang=en.
